

## 4 Home Funeral Essentials

2020 Courtesy of *Washington Funeral Resources & Education*, In Washington, no one is required to purchase the services of a funeral director or funeral home. Families may conduct any or all tasks commonly performed by a funeral home (except embalming which is not required by Washington law). This chart illustrates the continuum of involvement that a family and their community can have with or without the support of funeral professionals. For more see [WAfuneral.org](http://WAfuneral.org)> How To> Have a Home Funeral.
